3.1 Parties agree that the Financial Contribution made by Sanofi under this Agreement is subject to the provisions on disclosure of transfers of value between pharmaceutical companies, patient organizations and healthcare organizations as set forth in the EFPIA Member

Association's Code of Practice in Recipient's country of registration (the "National Code of Practice").

- 3.2 Parties agree that Sanofi's local affiliate in Recipient's country of registration, Sanofi A/S, will take care of disclosure of the Financial Contribution in accordance with the relevant provisions of the National Code of Practice. To that end, Recipient hereby authorizes Sanofi to share with its local affiliate all information and details pertaining to Recipient and this Agreement as Sanofi's local affiliate may require for disclosure purposes in line with the National Code of Practice.

#### **4. Data Protection**

The Parties will process all personal data obtained during the term of this Agreement in accordance with applicable data protection laws and regulations including but not limited to the General Data Protection Regulation (EU) 2016/679 and its amendments.

#### **5. Compliance Undertakings**

- 5.1 Parties represent and warrant that

- in the execution of this Agreement they will comply with all applicable laws and (self-) regulations, including - but not limited to - the National Code of Practice (as defined in Article 3.2 above), data protection and anti-bribery legislation such as the UK Bribery Act 2010; and
- they, and where relevant, their directors, officers, employees, agents or subcontractors shall not, directly or indirectly pay or promise to pay, or authorize the payment of any money, or give, promise to give or authorize the giving of anything of value to any government official, healthcare professional or person affiliated with a healthcare organization to obtain or retain business or secure improper advantage to Sanofi.

- 5.2 Parties acknowledge that the Financial Contribution of Sanofi does not take effect and is not intended to take effect as an incentive or reward for Recipient's past, present or future willingness to prescribe, administer, recommend (including formulary recommendations), purchase, pay for, reimburse, authorize, approve or supply any product or service sold or provided by Sanofi or as an incentive to grant an interview for any sales or marketing purposes.

#### **6 Miscellaneous**

- 6.1 During the term of this Agreement and thereafter, each party shall keep in trust and confidence and not disclose to others all information it receives from the other party, provided however that these non-disclosure obligations do not apply to such (portion of) information that (i) at the time of disclosure is available in the public domain, (ii) after disclosure becomes available in the public domain through no fault of the receiving party, (iii) is required to be disclosed under applicable laws or (self-) regulations, including the National Code of Practice (as defined in Article 3.2 above), or (iv) is already in the possession of the other party.
- 6.2 This Agreement shall not be assigned or otherwise transferred by either party without the prior written consent of the other party; provided however that Sanofi may assign this Agreement to any of its affiliates or to a successor to its business (whether by merger, a sale

of all or substantially all of its assets relating to this Agreement, a sale of its capital stock, or otherwise).

- 6.3 Either party may terminate this Agreement with immediate effect by written notice to the other party, if the other party commits a breach of this Agreement and the breach is not remedied within thirty (30) days after service of written notice requiring the same. If a party terminates this Agreement in accordance with this Article 6.3, the other party shall not be entitled to any compensation, indemnity or damages or other payment in respect of such termination. Article 3, Article 5.0, Articles 7.2 and 7.3 and all other provisions of this Agreement, including any Exhibit, that expressly or by their nature survive termination of this

Agreement, shall continue in full force and effect subsequent to and notwithstanding such termination.

- 6.4 Sanofi shall have the right during the term of this Agreement and three (3) years thereafter to audit whether Recipient's use of the Financial Contribution is in accordance with this Agreement.

## 7. Effective Date, Governing Law and Dispute Resolution

- 7.1 This Agreement becomes effective when signed by an authorized representative of each party. A signed Agreement may be delivered by any reasonable means, including facsimile or other electronic transmission
- 7.2 The Agreement shall be governed by the laws of Denmark without reference to its conflict of laws provisions. The Parties shall try to solve by prior good faith negotiations any difficulties that may arise between them in the performance or construction of the Agreement. Should the Parties fail to reach an agreement, the Parties agree to submit the dispute to the exclusive jurisdiction of the competent court of Copenhagen, notwithstanding plurality of defendants, summary proceedings or impleader.

**IN WITNESS WHEREOF**, the Parties have duly executed this Agreement.

#### **EXHIBIT A Project description**

Atopic dermatitis (AD) is a underprioritized and under communicated disease area, where a substantial amount of people lives with uncontrolled AD. The Danish AD Association (AEF) wishes to launch a disease awareness campaign on SoMe empowering patients to revisit the health care system an require optimal treatment and disease control.

The association plan to reuse and adjust existing empowerment videos where AD-patients, caregivers and dermatologists reach out to patients and deliver hope and guidance on how and where to get adequate help.

Apart from reusing existing empowerment-material the association will also develop a quick guide aimed at guiding patients in need on to private dermatologists and hospital departments.
